PLEASE NOTE A CHANGE IN THE BID OPENING DATE AND TIME:

Change from February 27, 2017 @ 2:00 pm

Change to March 1, 2017 @ 4:00 pm

Question and Answer

A question has been raised by some of the bidders regarding who is qualified to price and execute the thermoplastic striping, since Peek has been excluded from the Bidder's list.

RESPONSE: The City of Dunwoody is willing to accept long-line thermoplastic striping installed with walk-behind equipment. There are several companies in the Metro Atlanta area who have done this type of work on similar projects for the City to our satisfaction.
